

## PROPOSED TEMPORARY CLOSURE OF DRAKES LANE, CHESELBOURNE

I have received an application from Openreach to close Drakes Lane, Cheselbourne from junction with C34 to the access road leading to Nettlecombe Farm (in both directions), a distance of approximately 1500 metres. The closure has been requested to allow Openreach to provide a safe working area to undertake poletests. These works are programmed to commence between 08:00 and 17:00 from 16th December 2024 until 17th December 2024.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, ([trafficteam@dorsetcouncil.gov.uk](mailto:trafficteam@dorsetcouncil.gov.uk)) by 7th November 2024.
